AFTER SALES  
MAINTAINING YOUR VISION

## MAINTAINING YOUR VISION

# OUR AFTER SALES DIVISION PROVIDES THE HIGHEST QUALITY SHOWCASE SERVICE AND MAINTENANCE.

The After Sales division of our group has been created to provide continuity of service and maintenance to our growing customer base across the globe.

Operating with the same high standards as all of our world-leading brands, After Sales has successfully grown to become a pioneering, fully recognised after-care specialist within the industry.

### SHOWCASE SERVICING AND MAINTENANCE

- Annual maintenance plans
- Lighting maintenance
- Replacement glass doors/panels
- Case relocation between galleries or venues
- Case dismantling and reassembly
- Maintenance or replacement of locks and keys
- Glass repairs including small chips or scratches
- Replacement door seals
- Servicing and conditioning reports
- Air Exchange Rate (AER) testing

### SHOWCASE UPGRADES AND REFITS

- Showcase refurbishment
- New or replacement dress panels (various inert materials and finishes) - an ideal solution if an exhibit or display is being updated

- Lighting upgrades - including LED and fibre optic options to save energy and reduce maintenance

### ADD-ONS AND ACCESSORIES

- Internal display mounts/plinths
- Shelving
- Hanging rails and rods
- Label rails
- Internal case dividers
- Case mover trolleys
- Glazing suckers - various types
- Cleaning equipment

### SHOWCASE CONSERVATION

- Retrofitting of active environmental control equipment
- Air change testing (site-visit with follow up report)
- Monitoring equipment (humidity/temperature/light)
- Retrofitting of passive humidity equipment
- Supply of Pro Sorb®/Silica Gel

From repairs through to upgrading your existing cases, our experienced team of after-care specialists can help you with a fast and efficient service.

Whatever your requirements, give our After Sales team a call and we will be happy to discuss them with you.
